- Date of Birth : 26.09.1975
- Marital Status : Married
- Driver's License : B Class-1996
- Military Service : Discharge
Officer - Lieutenant
- Health Status : Good

Resume

I was born on 26.09.1975 in Mersin. I completed my primary, secondary and high school education in Mersin. I graduated from Sakarya University, Faculty of Engineering, Department of Electrical and Electronics Engineering in 1997, which I entered in 1993. In 2010, I got my Master's Degree from the same university and got the title of Master Engineer.

Between 1998-2000, I did my military service with the rank of Reserve Officer. I have worked in IT at all levels since 2000. Network, hardware, purchasing, software, system engineering, db admin etc. I did Canias ERP, and Troia Software Language studies.

I coordinate all IT needs of 8 different companies in 4 different locations. I worked on Network, LAN, WAN, Information Security, NAC, Siem, DLP, GDPR. I was directly responsible for acquiring and operating ISO 27001 certification. I designed a server room in 4 different locations. I managed the company's GSM lines, Internet and MPLS lines, and IP telephone exchange. I coordinated the entire IT procurement of the Group and carried out the policy of providing the most suitable product at an affordable price and quickly. I successfully completed the HP Simplivity Server and Disaster Project with my team.

I worked as a Project Manager and Software Development Engineer in ERP software.

I developed my software for 10 years. Then I commissioned and operated the MRP software (IBS) on the production side. Finally, since 2019, I tried to integrate Canias ERP with all its modules in factories. I am proficient in IBS, SQL, Canias, Troia, Access, Visual Basic, .net ERP, eBA, Meyer, Logo software, software languages and SQL database.
